# RSR: "Fill My Bucket"

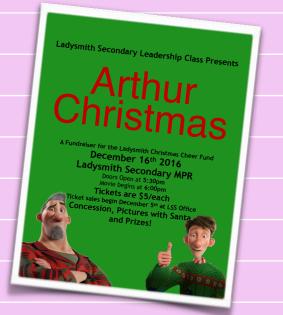

The RSR Committee has been busy preparing the way for a new vision for RSR at our school. Over the next few days we will introduce ourselves to the "Fill My Bucket" story and the concept that we are going to move forward with that replaces the RSR prizes that we have been awarding to students. Thanks Mrs. Robb and Mrs. O'Toole and others for helping to grow this idea. The show case will be cleared out before our assembly on Wednesday and we will share the "Fill My Bucket" story and the RSR video during the assembly. The full story about RSR "Fill My Bucket" will be online in the next "Our LPS Story" this Sunday, December 4th.

#### Christmas Cheer:

The Ladysmith Resources Centre Christmas Cheer Fund is looking for our support to run a Hamper Drive. The goal is to obtain food and unwrapped new or near new toys for the Christmas Cheer Fund before the end of the day on December 21st. If you would like to help out by bringing items for the Hamper, we would love to display our Christmas Cheer in the foyer of the school starting next week.

#### Ladysmith Secondary Leadership:

The Ladysmith Secondary Leadership Class is presenting "Arthur Christmas" on Friday, December 16th at the LSS MPR.

#### Lockdown Drill Moved to Dec. 7th

The Lockdown Drill planned for this week will be moved to next Wednesday to give us time to prepare our students. Lockdown drill preparation information will be shared with staff on Friday. THE LPS EXTRA 1.7 NOVEMBER 28, 2016

# NLPS Public Consultation #2: Tuesday, November 29th

Let's talk about Facilities Management and the Budget (2020 Vision for Learning)

- · Cedar-Ladysmith area PAC/Parents/Students/Community Representatives
  - o Tuesday, November 29, 2016: 7 to 8:30 p.m. Ladysmith Secondary School (710 Sixth Ave.)

The district is currently working on the development of 2020 Vision for Learning - its new three-year plan which will include a high level review of the central and south zone, asset and facilities management and the three-year budget plan.

2020 Vision for Learning is a collaborative approach to developing a sustainable education plan for each of the district's zones of schools, and for district-wide delivery of services. The plan relies on the input received from students, their families, district staff and partners in the community. An online survey will also be available to provide input.

See you there!
