Gingerbread Houses: Mrs. Philips Shares Some Sweet Skills!

Lori Phillips spent some time working with our students building Gingerbread houses back on November 23rd. I couldn't help but want to share these wonderfully tasty examples of their work! Thanks so much once again Lori!

New to Grade Two: Mrs. Vandzandwyk's Class Welcomes Brenden J. to LPS!

We are so very excited to have a new student arriving at Ladysmith Primary this Monday. Brenden J. is coming to us from Kamloops and has certainly arrived at a wonderful time of the year. Let's all do our best to fill Brenden's bucket as he begins what will be a wonderful journey with us!

Request for Tickets:

As is tradition, we know that we will have a full house for the evening show. We are encouraging all parents to take advantage of the afternoon, 1:00 pm performance due to the demand for the 6:00 pm show. As was established last year, and based on capacity, all parents will be entitled to a maximum of 2 tickets for the evening performance.

There will be a **Request for Tickets** form from the school that will be sent home tomorrow to all families outlining the process for distribution of tickets. **It is important that all parents return the form whether or not they require tickets for the evening performance.** This will allow us to determine exactly how many potential extra seats may be available to families. Please note that there are no guarantees that extra tickets will be available.

As well, we will be emailing all parents tomorrow, (Monday) and will also add the same information to "Our LPS Story" These newsletters, as always, will be posted to the LPS Website with more details added as announcements as we get closer to the day.

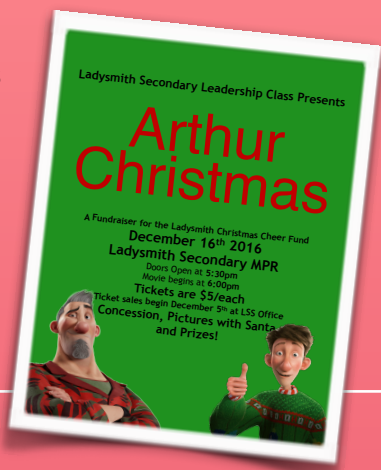

Christmas Cheer:

The Ladysmith Resources Centre Christmas Cheer Fund Hamper Boxes will be available for each class on Monday! Thanks so much for helping out families in need!

Ladysmith Secondary Leadership:

The Ladysmith Secondary Leadership Class is presenting "Arthur Christmas" on Friday, December 16th at the LSS MPR.

Lockdown Drill this Wednesday after the Short Recess.

RSR: "Bucket Fillers"

After our first week the RSR: "Fill My Bucket" Program is off to a wonderful start. On Friday, Mrs. Robb's class tallied the tickets and we are already at **461** tickets for the entire school. Each class will be given their official RSR Bucket this Monday. Great job everyone!!!
