Quick View of Events this Week:

Fine Arts Week

Fine Arts Week begins tomorrow and has each class creating artwork based on the style of an artist. Apart from this in-class work, students will also be involved in sessions on Monday and Tuesday with artist James Hensmen. As well, students will be completing a collaborative work of art with Mr. Brooks. An LSS Band performance, Lip Sync performances, and directed and cultural drawing will help round out our week.

Come Join Us Friday:

The Friday Art Walk is your opportunity to see the students' artwork from 9:00 until 9:45 am. Then, please stay with us as the whole school will be in the gym learning to dance the Cha Cha Slide. The dancing will conclude at the short recess (10:15 am). We look forward to seeing you all during this time. After recess the PAC will be providing "Edible Art" to students as a way of wrapping up our Fine Arts Week.

We want to thank the staff and PAC volunteers for helping with the planning of this year's Fine Arts Week. We are excited to see the wonderful art that will be presented at the Art Walk and look forward to seeing our parents on Friday morning!

Kids D'Po/Culture Club/Track&Field

Kids D'Po is open for all students during long recess from 11:45 am - 12:25 pm. Culture Club meets during Kids D'Po on Tuesdays and Thursdays. Grade 3 Track & Field Practices started last week. Our Grade 3 LPS Track Meet is set for Tuesday, May 9th.

Welcome to Kindergarten™
THE LEARNING PARTNERSHIP

The Welcome to Kindergarten program (WTK) offers resources and strategies for families in support of children and early learning.

Ladysmith Primary School will be hosting our WTK Family Orientation session on

Wednesday, May 10th

from 10:00 am until 11:30 am

Kindergarten students that are registered at LPS are invited to attend this session which will introduce students to their new school.

Only students registered at LPS attend this event. If you have not registered for Kindergarten at LPS yet, please contact the school and we will be glad to help you out!

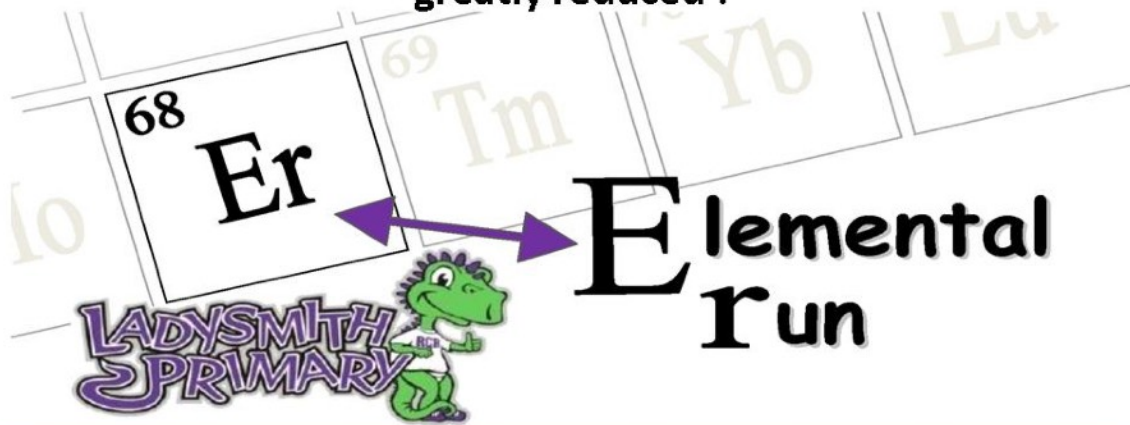

During the W2K session new Kindergarten students will take part in various activities and stations that are play based. Students will work with playdough, magnetic letters, tour the school, plant a seed to take home and have the chance to play in the gym. Students and parents will have the opportunity to meet the Kindergarten team at this time as well.

Each student will receive a W2K bag that is filled with activities and ideas and books to help prepare your child for their exciting year in Kindergarten.

We look forward to seeing you on Wednesday, May 10th at 10:00 am!
